Standard Purchase Order		
Brief description of contract requirements (as related to the proposed Statement of Work):		

GSS was awarded an Indefinite Quantity/Indefinite Delivery contract by DOE’s National Nuclear Safety Administration (NNSA) to provide laboratory supplies to seven nuclear laboratories in the U.S. The contract was issued by Honeywell Federal Manufacturing & Technologies (FM&T), a management and operating contractor for the NNSA through the NNSA’s Supply Chain Management Center (SCMC). Listed below are the laboratories GSS provides laboratory supplies through a site specific, GSS-hosted e-Catalog.
